Lectures and teaching

2025

• Study days on restoration at the Real Academia de Bellas Artes de San Fernando. Lecture: The restoration of two casts acquired by Velázquez in the 17th century: the Farnese Hercules and Flora. RABASF.

2020

• Collaboration in the Art Workshops for primary and secondary schools organised by the RABASF.

2019

• Tour of the historic cast collection of the Real Academia de Bellas Artes de San Fernando for Science Week.

2017

• Lecture and demonstration: The restoration and cleaning method of the plaster casts collection at the Real Academia de Bellas Artes de San Fernando, for the expert meeting on the cleaning of unpainted plaster cast sculpture, Ny Carlsberg Glyptotek, Copenhagen, Denmark.

2016

• Lecture and demonstration: The restoration of the Plaster Cast Collection at the Real Academia de Bellas Artes de San Fernando (Madrid, Spain), for the congress White as Plaster? Plaster Casts and the Treatment of their Surface, Archäologisches Institut und Sammlung der Gipsabgüsse, Georg-August-Universität, Göttingen, Germany.

• Lecture: Conservation and restoration of the historic cast collection of the Real Academia de Bellas Artes de San Fernando, at the meeting Investigações em Conservação do Património, Faculty of Fine Arts, University of Lisbon, Portugal.

• Supervision of placement students on the Master's in Museology and Restoration (2014-2016).

2014

• Fourth Conservation and Restoration Meeting: Moulds, Replicas and Heritage. Lecture: Conservation and restoration of the historic plaster collection of the Real Academia de Bellas Artes de San Fernando, Madrid. Museo de Pontevedra.

• Contribution to the Master's in Archaeology, Complutense University of Madrid. Lecture: Basic in-situ treatments for archaeological materials.

2010

• Participation in the course Basic Care of Works of Art in Private Collections. Lectures: Basic care of sculpture and the decorative arts; Basic care of works on paper; Basic care of paintings. Organised by the Spanish Federation of Friends of Museums, Madrid.

• Real Academia de Bellas Artes de San Fernando lecture series. Lecture: The restoration of Pedro de Mena's Virgin of Sorrows. Madrid.

• Congress on the Conservation and Restoration of Architectural Heritage, organised by the University of Seville. Lecture: Conservation and restoration of the cast collection of the Real Academia de Bellas Artes de San Fernando. Écija.

• Congress on the Excavation and Study of a Pompeian House: the House of the Archaistic Diana (VII. 6. 3), organised by the Department of Historiographical Sciences and Techniques and Archaeology, Complutense University of Madrid. Lecture: Pompeii: conservation of archaeological material in situ. Madrid.

2008

• Lecture series accompanying Velázquez, esculturas para el Alcázar at the Real Academia de Bellas Artes de San Fernando. Lecture: Conservation and restoration of the historic casts brought back by Velázquez from his second journey to Italy. Madrid.

2007

• Paper: The Restoration of Two Plaster Casts Acquired by Velázquez in the XVIIth: Hercules and Flora Farnese, from the historic cast collection of the Real Academia de Bellas Artes de San Fernando. Organised by Dr Eckart Marchand at the University of Oxford, England.

2006

• Direction of, and teaching on, the first and second courses on Conservation and Restoration of Historic Casts: the Collection of the Real Academia de Bellas Artes de San Fernando. RABASF.

2005

• Contribution to the congress Plaster Casts, Making, Collecting and Displaying from Classical Antiquity to the Present. Paper: Restoration and cleaning techniques for the recovery of the historic cast collection of the Real Academia de Bellas Artes de San Fernando. Organised by Dr Eckart Marchand at the University of Reading, Whiteknights, England.

• Lecture series on the Restoration of Sculpture in Spanish Collections. Lecture: Cleaning and restoration techniques for historic plaster casts. Organised by the Friends of the Museo Arqueológico Nacional.

2003

• Contribution to the International Symposium on European Cast Collections. Paper: Cleaning and restoration techniques for historic plaster casts. Organised by the Fundación de Estudios Romanos at the Museo Arqueológico Nacional.

1993

• Contribution to a presentation at the Third Meeting on the Rehabilitation of Historic Buildings. Paper: Restoration of the main altarpiece of the Collegiate Church of El Salvador, Grandas de Salime. Organised by Almendralejo Town Council, Badajoz.
